Dear OVHC Friends:

"Now I Have Hope!"

These were the words of one Ohio Valley Health Center patient after being treated for the first time in her life for uncontrolled diabetes. And this same sentiment is echoed every day by the men and women who come to us because they have no other route to affordable health care.

For some of our patients, their hope is for medication to prevent another heart attack. For other patients, their hope is to return to good health so that they can be better parents or go back to full-time employment. Finally, for others, their hope is simply to be able to breathe without a struggle, get through the day without constant pain, or learn to live a healthier life through diabetic education. Through the help of our many donors and volunteers, Ohio Valley Health Center is fulfilling these kinds of hopes - big and small - every day for hurting people in our community who need health care. **OVHC truly is a place "Where Hope Grows!"**

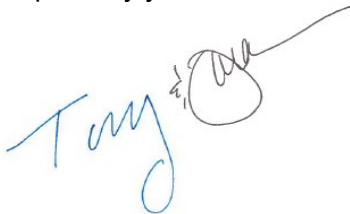

16th Annual OVHC Gala
"Where Hope Grows!"

Sunday, May 15, 2022
Champagne Reception: 5 p.m.
Dinner Program: 6 pm
St. Florian Event Center- Winterville, Ohio

We would be so grateful if you would consider a sponsorship for this year's Gala, our largest annual fundraiser and our first in-person event since 2019. We've enclosed our 2022 Sponsorship Package options along with a Gala Contribution Form.

The Gala will be a semi-formal (black tie optional) affair that will include dinner, a brief program recognizing this year's honorees, a live auction and our popular (and fun) mystery boxes featuring over \$10,000 in donated prizes. If you should have any questions, please visit our website, www.ovhealthcenter.org for the answers to **frequently asked questions** or call us at (740) 283-2856. Supporting Ohio Valley Health Center – our community's clinic – would be most appreciated!

Respectfully yours,

Tony Mougianis &

"Where It's Free To Be Healthy"

Your neighbors. Our patients. Real people with real need.

The Ohio Valley Health Center (OVHC) is changing lives together, with hope & health. Now in its 16th year of service to the community, OVHC continues to treat the most vulnerable among us - our neighbors without health insurance, adequate financial resources, or support networks; many of the things that you may take for granted. These barriers can seem unsurmountable to face but we are making a difference.

1 IN 6
OF OUR NEIGHBORS QUALIFIES FOR OHIO VALLEY HEALTH CENTER'S CARE. THEY NEED OUR HELP. DESPITE THE AFFORDABLE CARE ACT, MANY IN OUR COMMUNITY STRUGGLE TO ACCESS EVEN BASIC MEDICAL & BEHAVIORAL HEALTH CARE. THE IMPLICATIONS OF POVERTY & UNCERTAINTY ON THE HEALTH OF OUR COMMUNITY CANNOT BE OVERSTATED.

15%
OF JEFFERSON COUNTY RESIDENTS LIVE IN POVERTY.

8%
OF LOCAL INDIVIDUALS HAVE NO HEALTH INSURANCE.

20%
OF OUR NEIGHBORS ARE IN POOR TO FAIR HEALTH.

Real Dollars. Real Impact

OVHC's return on investment in 2021 was **\$7.65** for every **\$1** invested. While this seems unbelievable, these values are obtained from actual medical codes, real insurance reimbursement rates, and average wholesale price of medications. Real numbers make a real difference.
